Buenos días Denise,

I am doing well, thanks. Hoping you are fully recovered by now.

Will definitively give her a call and inform the warehouse personnel before going to their facility.

No problem with that. The extension number was provided by the employee.

Gracias,

Frances Delano, P.G.

Frances,

hope you are well!

I'm forwarding this email so you can have the correct email for Ivonne Huertas. We have to call her before we go on site. We have to notify Abraham and the other on-site worker and also call her before we go on site, a courtesy call.

I don't know why but the extension # you gave me for Ivonne is never picked up, but if you call to the main # and wait for the operator, she will transfer you immediately to Ivonne or pass the message.

Denise
